MY FAVOURITE THING ABOUT TEACHING:

Learning from students and helping students develop critical thinking skills that will last a lifetime

WHY YOU SHOULD TAKE MY CLASS:

We will read amazing comic books and graphic novels that help to illuminate the operation of power and resistance in specific historical contexts as well as how they might operate in dystopian or utopian futures.

WHAT I WANT MY STUDENTS TO KNOW:

If you take my class, expect to be encouraged, challenged, and, most importantly, to learn skills that you can bring with you to subsequent courses.

A COOL FACT ABOUT MY FIELD OF STUDY:

History is the only humanities field where scholars eventually become what they study (i.e. history).

SOME FINAL WORDS:

This is my favorite class to teach so I hope you will like it too.
